TC PipeLines, LP to Host Live Webcast Presentation

Calgary, Alberta – September 6, 2000– (Nasdaq NM: TCLPZ) – TC PipeLines, LP will host a live webcast presentation on Thursday, September 7, 2000 at 1:00 p.m. (eastern). During this webcast, the Partnership’s senior executives will provide an overview of the limited partnership, discuss recent events and be available to answer questions following the presentation.

Those interested in participating in this event are invited to visit the Partnership’s website at: www.tcpipelineslp.com. The presentation, entitled “InformedInvestors.com Virtual Energy Presentation by TC PipeLines, LP”, can be accessed by clicking on the “Informed Investors” button. The presentation will also be archived at this site and available from 3:00 p.m. (eastern) September 7 until 12:00 a.m. (eastern) November 6, 2000.

TC PipeLines, LP is a publicly held limited partnership. It owns a 30% interest in Northern Border Pipeline Company, a Texas general partnership, and a 49% interest in Tuscarora Gas Transmission Company, a Nevada general partnership. Northern Border Pipeline owns a 1,214-mile United States interstate pipeline system that transports natural gas from the Montana-Saskatchewan border to markets in the midwestern United States. Tuscarora owns a 229-mile United States interstate pipeline system that transports natural gas from Oregon to northern Nevada. TC PipeLines, LP is managed by its general partner, TC PipeLines GP, Inc., a wholly owned subsidiary of TransCanada PipeLines Limited. Subsidiaries of TransCanada also hold common and subordinated units of the Partnership. Common units of TC PipeLines, LP are quoted on the Nasdaq National Market and trade under the symbol “TCLPZ”. For more information about TC PipeLines, LP, visit the Partnership’s Internet site at www.tcpipelineslp.com.
