## **TC PipeLines, LP Announces Third Quarter Distribution and Schedules Earnings Teleconference and Webcast**

Calgary, Alberta – October 20, 2006 – (Nasdaq: TCLP) – TC PipeLines, LP (the Partnership) today announced the board of directors of TC PipeLines GP, Inc., its general partner, has declared the Partnership's third quarter 2006 distribution in the amount of US\$0.60 per unit. This distribution is payable on November 14, 2006 to unitholders of record as of October 31, 2006.

The cash distribution represents a quarterly increase of \$0.025 per unit, or an annual cash distribution increase of \$0.10 per unit, to an indicated annual cash distribution of \$2.40 per unit. The accretive acquisition of an additional 20 per cent interest in Northern Border Pipeline completed earlier this year and the settlement of the tariff rates on both the Northern Border and Tuscarora pipeline systems provides greater stability and certainty of future cash flows.

“We are pleased to announce an increase in cash distributions,” said Russ Girling, President and Chief Executive Officer of the general partner, TC PipeLines GP, Inc. “The increase is consistent with our goal of building value by delivering stable, sustainable and growing distributions to our unitholders.”
