

Donald (Don) J. DeGrandis

Secretary, TC PipeLines, LP
Vice-President and Corporate Secretary,
TransCanada Corporation

As Secretary for TC PipeLines LP, Mr. DeGrandis is responsible for providing corporate level legal support to the taxation, investor relations, media relations and risk management departments. He is also Vice-President and Corporate Secretary for TransCanada Corporation where he is responsible for ensuring compliance by the Corporation and its subsidiaries with applicable corporate and securities law statutes where the Corporation and its subsidiaries do business.

Mr. DeGrandis joined NOVA Corporation as Senior Legal Counsel in 1997 and became part of the TransCanada team upon the merger in July 1998. He was Corporate Secretary to TransCanada Power, LP from September 1998 to its divestiture in September 2005.

Prior to joining TransCanada, Mr. DeGrandis was Corporate Secretary, Nortel Networks Limited for six years. Before that time he was Senior Legal Counsel at Nortel, responsible for securities law compliance, public financings, taxation, insurance and security matters.

Mr. DeGrandis has been a member of the Upper Canada and Alberta Law Societies since 1980. He holds a Bachelor of Environment Studies (honours) in Urban and Regional Planning from the University of Waterloo. He also holds a Baccalaureate of Laws from the University of Ottawa. Mr. DeGrandis completed the Duke University, Fuqua School of Business, advanced management program in 1990.

TC PipeLines, LP is a publicly traded limited partnership. TC PipeLines, LP has interests in approximately 3,700 miles of federally regulated U.S. interstate natural gas pipelines including Great Lakes Gas Transmission Limited Partnership (46.45 per cent ownership), Northern Border Pipeline Company (50 per cent ownership), Tuscarora Gas Transmission Company (100 per cent ownership) and North Baja Pipeline, LLC (100 per cent ownership). Great Lakes is a 2,115-mile pipeline serving markets in Minnesota, Wisconsin, Michigan and eastern Canada. The 1,249-mile Northern Border Pipeline transports natural gas from the Montana-Saskatchewan border to markets in the midwestern United States. Tuscarora owns a 240-mile pipeline system that transports natural gas from Oregon, where it interconnects TransCanada's Gas Transmission Northwest System, to markets in Oregon, Northern California, and Northwestern Nevada. North Baja is an 80-mile natural gas pipeline that extends from Southwestern Arizona to a point on the California/Mexico border and connects with a natural gas pipeline system in Mexico. TC PipeLines, LP is managed by its general partner, TC PipeLines GP, Inc., an indirect wholly owned subsidiary of TransCanada Corporation. TC PipeLines GP, Inc., also holds common units of the Partnership. Common units of TC PipeLines, LP are quoted on the NASDAQ Stock Market and trade under the symbol "TCLP".

With more than 50 years' experience, TransCanada is a leader in the responsible development and reliable operation of North American energy infrastructure including natural gas pipelines, power generation, gas storage facilities, and projects related to oil pipelines. TransCanada's network of wholly owned pipelines extends more than 59,000 kilometres (36,500 miles), tapping into virtually all major gas supply basins in North America. TransCanada is one of the continent's largest providers of gas storage and related services with approximately 370 billion cubic feet of storage capacity. A growing independent power producer, TransCanada owns, or has interests in, over 11,800 megawatts of power generation in Canada and the United States. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. For more information visit: www.transcanada.com
