

## Jack F. Jenkins-Stark

Chief Financial Officer, BrightSource Energy, Inc.  
Director, TC PipeLines GP, Inc.

Mr. Jenkins-Stark brings more than three decades of experience in the finance and energy industries to his role as director of the general partner, a position he has held since July 1999. Mr. Jenkins-Stark's principal occupation is Chief Financial Officer of BrightSource Energy Inc., a designer and developer of large scale solar plants that deliver solar energy in the form of steam and/or electricity.

Prior to BrightSource Energy, Mr. Jenkins-Stark was Chief Financial Officer of Silicon Valley Bancshares, a diversified financial services provider, from April 2004 to April 2007. He previously served as Vice President of Business Operations and Technology at Itron, and as Senior Vice President and Chief Financial Officer at Silicon Energy Corporation. He has also served as Senior Vice President and Chief Financial Officer of GATX Capital and he held senior management roles at PG&E Corporation for over twenty years involving financial operations and investor relations, energy risk management, contract and regulatory negotiations and line operations.

TC PipeLines, LP (NYSE: TCP) has interests in 5,560 miles of federally regulated U.S. interstate natural gas pipelines which serve markets across the United States and Eastern Canada. This includes significant interests in Great Lakes Gas Transmission Limited Partnership and Northern Border Pipeline Company as well as 25 percent ownership interest in each of Gas Transmission Northwest LLC, and Bison Pipeline LLC. TC PipeLines, LP also has 100 percent ownership of North Baja Pipeline, LLC and Tuscarora Gas Transmission Company. TC PipeLines, LP is managed by its General Partner, TC PipeLines GP, Inc., an indirect wholly owned subsidiary of TransCanada Corporation (NYSE: TRP). TC PipeLines GP, Inc. also holds common units of TC PipeLines, LP. For more information about TC PipeLines, LP, visit the Partnership's website at [www.tcpipelineslp.com](http://www.tcpipelineslp.com).

With more than 60 years experience, TransCanada is a leader in the responsible development and reliable operation of North American energy infrastructure including natural gas and oil pipelines, power generation and gas storage facilities. TransCanada's network of wholly owned natural gas pipelines extends more than 35,500 miles, tapping into virtually all major gas supply basins in North America. TransCanada is one of the continent's largest providers of gas storage and related services with approximately 380 billion cubic feet of storage capacity. A growing independent power producer, TransCanada owns, or has interests in, over 10,800 megawatts of power generation in Canada and the United States. TransCanada is developing one of North America's largest oil delivery systems. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. For more information visit: [www.transcanada.com](http://www.transcanada.com).
