

Malyn K. Malquist

Director, TC PipeLines GP, Inc.

Mr. Malquist was appointed a director of the General Partner in April 2011 and Chairman of the Audit Committee in July of the same year.

Mr. Malquist has over 30 years of business experience in the energy sector. From September 2002 to March 2009, he held various senior executive positions at Avista Corp. and served as the Executive Vice-President and Chief Financial Officer. Avista Corporation provides gas, electricity and related energy solutions to business and residential customers throughout Washington, northern Idaho and parts of Oregon. Prior to that, Mr. Malquist served in senior executive positions at Sierra Pacific Resources, ending his term as President and CEO/COO in April 2000.

Currently, Mr. Malquist also sits on the Board of Headwaters Incorporated, a New York Stock exchange listed company. He also serves as a director for Spokane Cares, Inc.

He obtained a Bachelor of Arts degree and Master of Business Administration from Brigham Young University.

TC PipeLines, LP is a Delaware master limited partnership with interests in seven federally regulated U.S. interstate natural gas pipelines which serve markets in the Western, Midwestern and Eastern United States. The Partnership is managed by its general partner, TC PipeLines GP, Inc., a subsidiary of TransCanada Corporation (NYSE:TRP). For more information about TC PipeLines, LP, visit the Partnership's website at www.tcpipelineslp.com.

With more than 65 years' experience, TransCanada is a [leader](#) in the [responsible development](#) and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TransCanada operates a network of natural gas pipelines that extends more than 91,500 kilometres (56,900 miles), tapping into virtually all major gas supply basins in North America. TransCanada is the continent's largest provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TransCanada owns or has interests in over 10,700 megawatts of power generation in Canada and the United States. TransCanada is also the developer and operator of one of North America's leading liquids pipeline systems that extends over 4,300 kilometres (2,700 miles) connecting growing continental oil supplies to key markets and refineries. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP.
