

Sean M. Brett

Director, TC PipeLines GP, Inc.
Vice-President, Canadian Power and Gas Storage
TransCanada PipeLines Limited

Sean Brett was appointed as a Director of the General Partner in May, 2018. Mr. Brett also holds the position of Vice-President, Canadian Power and Gas Storage for TransCanada.

Since joining TransCanada in 1997, he has progressed through a number of senior roles, primarily in the treasury group, and was the company's Vice-President and Treasurer. Prior to his current appointment, he served as Vice-President, Risk Management for TransCanada where he was responsible for risk management policies and processes pertaining to counterparty, market and insurance risk for TransCanada, its wholly owned subsidiaries and certain partially owned entities.

Mr. Brett is a Chartered Financial Analyst. He holds a Bachelor of Science and a Bachelor of Commerce from the University of Alberta, as well as a Master of Business Administration from the University of Western Ontario.

With more than 65 years' experience, TransCanada is a leader in the [responsible development](#) and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TransCanada operates one of the largest natural gas transmission networks that extends more than 91,900 kilometres (57,100 miles), tapping into virtually all major gas supply basins in North America. TransCanada is a leading provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TransCanada currently owns or has interests in approximately 6,100 megawatts of power generation in Canada and the United States. TransCanada is also the developer and operator of one of North America's leading liquids pipeline systems that extends approximately 4,900 kilometres (3,000 miles), connecting growing continental oil supplies to key markets and refineries. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP.
