

Jack Stark

*Director, TC PipeLines GP, Inc.
Chief Financial Officer, Generate Capital*

Mr. Stark brings more than three decades of experience in the finance and energy industries to his role as Director of the General Partner, a position he has held since July 1999.

Currently, Mr. Stark serves as Chief Financial Officer of Generate Capital, a provider of capital for sustainable technologies in the clean energy, waste and water and transportation sectors. Previously, Mr. Stark served as Chief Financial Officer of Imergy Power Systems, an energy storage systems company from December 2013 to July 2016. Prior to Imergy Power Systems, Mr. Stark was Chief Financial Officer of BrightSource Energy Inc., a provider of technology for use in large-scale solar thermal power plants, from May 2007 to November 2013. He was Chief Financial Officer of Silicon Valley Bancshares, a diversified financial services provider, from April 2004 to May 2007. He previously served as Vice-President of Business Operations and Technology at Itron, and as Senior Vice-President and Chief Financial Officer at Silicon Energy Corporation.

Mr. Stark has also served as Senior Vice-President and Chief Financial Officer of GATX Capital and he held senior management roles at PG&E Corporation for over 20 years involving financial operations and investor relations, energy risk management, contract and regulatory negotiations and line operations.

TC Pipelines, LP is a Delaware master limited partnership with interests in eight federally regulated U.S. interstate natural gas pipelines which serve markets in the Western, Midwestern and Northeastern United States.
