

Stanley (Stan) Graham Chapman, III

Executive Vice-President and President, U.S. and Mexico Natural Gas Pipelines, TC Energy Corporation, and Chairman, TC PipeLines GP, Inc.

Stanley G. Chapman, III serves as Executive Vice-President and President of U.S. and Mexico Natural Gas Pipelines for TC Energy Corporation where he has led the U.S. natural gas business since April 2017 and the Mexico natural gas business since September 2020. In these roles he is responsible for all regulatory, commercial and operational matters across TC Energy's regulated transmission and storage assets, as well as its unregulated midstream businesses. Mr. Chapman was also appointed Chairman of the General Partner for TC PipeLines GP, Inc., a master limited partnership, effective January 1, 2019. Prior to that, he served as Senior Vice-President and General Manager of its FERC-regulated U.S. natural gas pipeline business.

Before joining TC Energy in July 2016 as part of the Columbia Pipeline Group (CPG) acquisition, Mr. Chapman served as Columbia's Executive Vice-President and Chief Commercial Officer. Previous to joining CPG in December 2011, Mr. Chapman held various positions of increasing responsibility with El Paso Corp and Tenneco Energy and was responsible for various marketing and commercial operations, as well as supply, regulatory, business development and optimization activities.

Mr. Chapman is a current member and past executive committee member of the Society of Gas Lighters, a current member and past Chairman of the Board of Directors for the Interstate Natural Gas Association of America and a member of the International Association for Energy Economics. Mr. Chapman holds a Bachelor of Science degree in Economics from Texas A&M University as well as a Master of Business Administration degree with a specialization in Finance from the University of St. Thomas.

TC Energy

We are a vital part of everyday life — delivering the energy millions of people rely on to power their lives in a sustainable way. Thanks to a safe, reliable network of natural gas and crude oil pipelines, along with power generation and storage facilities, wherever life happens — we're there. Guided by our core values of safety, responsibility, collaboration and integrity, our more than 7,300 people make a positive difference in the communities where we operate across Canada, the U.S. and Mexico.
