

# ESG at TC PipeLines, LP

Our General Partner, TC PipeLines GP, Inc., is wholly owned by TC Energy Corporation (TC Energy), one of the largest energy infrastructure companies in North America.

TC Energy is dedicated to Environmental, Social and Governance (ESG) performance, and we view ESG as key to maximizing the long-term value of our assets and generating stable, predictable results.

## ESG highlights

### Environmental

- Member of the U.S.'s ONE Future Coalition which uses uniform, EPA-approved protocols to report methane intensity
- Signatory to United Nations (UN) Methane Guiding Principles
- TC PipeLines, LP's network of natural gas infrastructure supports a sustainable transition to lower-emission sources
- Donated 4,000+ acres of land on our Great Lakes Gas Transmission right-of-way to grow native wildflowers supporting monarchs and other pollinators

### Social

- Long history of collaborating with landowners, Indigenous groups and communities
- Donated approximately \$3M in 2018 to states hosting our infrastructure
- Natural gas brings affordable and lower-emission energy to communities
- In 2018 alone, we paid \$28M in property tax which supports schools, roads and government programs

## Governance

- TC Energy is committed to industry-leading infrastructure operation and safety practices, a cornerstone for TC PipeLines, LP
- Our General Partner oversees long-term performance, strategy and sustainability
- TC Energy has 12 directors, all independent (except CEO)
- TC PipeLines, LP has 11 directors and officers appointed by our General Partner
- TC PipeLines, LP operates in accordance with the TC Energy Code of Business Ethics
